Call-Tell LLC ("CALL-TELL") a company organized and existing under the laws
of the State of California, USA, having a principal place of business at 446 Barnegat
Lane, Redwood City, CA 94065-1246, USA, desires to acquire the entire right, title and
interest in and to the Invention, the Application, and to any patents or inventor's
certificates to be obtained in any countries based on the Invention, and any
improvements thereon.

THEREFORE, for good and valuable consideration, receipt of which we hereby
acknowledge, we:

1. Assign and transfer to CALL-TELL, its successors, assigns and legal
representatives, the entire right, title and interest in and to the Invention and the
Application, and all divisional, continuing, substitute, renewal, reissue, and other
applications for patents, or inventor's certificates, which have been or may be filed in
any country based on the Invention;

2. Agree that the foregoing rights conveyed to CALL-TELL include all priority rights arising from the filing of the Application, the right to own in its own name the Application and all patents and inventor's certificates in all countries, and other applications for patents or inventor's certificates, based on the Invention, and further the sole right to file applications for foreign patents and inventor's certificates based on the Invention;
3. Agree to execute all documents requested by CALL-TELL and its successors, assigns and legal representatives regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention;
4. Upon the request of CALL-TELL and its successors, assigns and legal representatives, and at their expense, regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention, agree to provide to CALL-TELL and its successors, assigns and legal representatives all information known to or ascertainable by us and all documents and other materials and objects pertaining to CALL-TELL's rights in the Invention that are in the possession of or accessible to us; and further, at any trial, hearing, deposition or other legal proceeding where we are called as witnesses by CALL-TELL or its successors, assigns and legal representatives, we agree to testify to all facts pertaining to CALL-TELL's rights in the Invention for which we are competent to testify;
5. Warrant and represent that the Invention is our property, and that we have conveyed no assignment, grant, lien, mortgage, license or other encumbrance affecting the Invention to any other person; that, to our knowledge, no such conveyance exists otherwise; and that we have the full power to convey the rights assigned in this Assignment.
